In a letter to Dr. Staehelin, Moore describes the casting of his recently finished piece, 'Draped Reclining Woman'.am going to have it cast in Berlin, as I have been given the name of a very good bronze foundry which can cast it without delay Of course I shall have to go to Berlin myself to see the cast as it gets near completion, so that I am sure that it is well done and entirely satisfactoryMoore, unpublished letter to Dr. Staehelin, December 5, 1958)
