MODERN AND CONTEMPORARY ART

---

HENRY MOORE (1898-1986)

**Reclining Figure, 1945**

Bronze  
9 x 15 x 6.5 cms  
(3.54 x 5.90 in)  
Available

From the edition of 7  
Reference LH1/246

Modelled in terracotta and cast in London this work was first seen at the time of the major Moore retrospective at the Museum of Modern Art, New York in 1946. At that time the pioneering Curt Valentin Gallery in New York exhibited Henry Moore sculpture, and this edition was included in the show.

This sculpture served as the sketch model for a 1949 carving in Hornton stone.
